S.E.L. During a Pandemic

The following website has various articles on how to best support your child during remote learning.

[S.E.L Learning During a Covid 19 Strategies and More](#)

Remote Learning Tips

- Help your child establish and stick to a routine.
- Make sure they log into class on time.
- Check in with your child's teachers and counselors and make sure all work is completed.
- Encourage physical activity and exercise.
- Be mindful of their stress level.
