

What student doesn't struggle with classwork from time to time?

Roselle Public Schools will now offer free,
unlimited, 24-hour academic support in any subject,
in multiple languages!

The tutoring program is called "Paper Tutor."
It's a brilliant integration of a software platform with live human tutors
that will be available around the clock for our students.

Unlimited tutoring anytime, anywhere. For free.

**Friendly multilingual tutors will assist our students
with anything that might be giving them trouble—
exactly when, where, and how they need help on a concept or assignment.**

**Please join us via Zoom
to find out more about Roselle's new free, virtual 24/7 tutoring service
available for your son or daughter**
