Weekly Edition  
of The Rambler

A PUBLICATION OF THE ROSELLE PUBLIC SCHOOLS

## An Update from the Administration

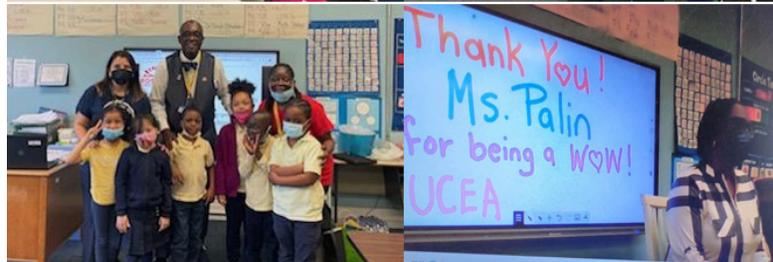

April 12, 2022

Greetings, RPS Community!

We hope our students and families are enjoying the first few weeks of Spring. As expected, last week was a busy one for schools around the district. Let's take a look.

Kindergarten Success Academy students learned what it means to be a leader last week with special visits and presentations from school leaders like Principal Shelia Williams, Superintendent Dr. Nathan L. Fisher, Assistant Superintendent Dr. Lissette Gonzalez-Perez, district technology specialist and Union County Education Association President Lisa Palin, and Board of Education Members Yessica Chavez and Gisselle Bonds.

"The students shared their thoughts and aspirations and also wrote 'thank- you' cards for all of the invited guests," said Principal Williams.

On April 6th, Harrison Elementary School (HES) hosted a combined Open House and HES Cafe for students and families to enjoy. The event included an introduction to new Acting Principal Wayne Bullock and The RPS Strategic Plan: Vision 2027 presentation from Assistant Superintendent Dr. Gonzalez-Perez. The night also included a student art gallery, food, raffles, prizes and more.

"Shout out to all Harrison Staff and families for making the evening most memorable," said Acting Principal Bullock.

During their morning program, Dr. Charles C. Polk Elementary School scholars have been putting together the pieces in support of Autism Acceptance Month. And during announcements, a famous icon diagnosed with autism is highlighted, featuring his/her accomplishments.

The district is happy to announce that Leonard V. Moore Middle School's Generation on Kids Care Club students and the entire service-learning club, under the direction of art teacher Ms. Mira Septimus, have been nominated for a Union County and NJDOE exemplary program recognition award. These students donate significant time to the myriad projects the club is involved in, and we wish them luck!

Grace Wilday Junior High School wrapped up March Madness with a fun lesson for algebra students that involved simplifying radicals and performing operations to combine them. One class was put into groups and asked to select one of the games provided from the first two rounds of the tournament. They had to simplify the final scores for both teams and, from that point, take the simplified radicals and show addition, subtraction, multiplication and division. The students provided all their work along with the team logos on a poster board.

Congratulations to the Abraham Clark High School (ACHS) chorus students who have done a great job representing the district in the 2022 NJ Regional Jazz Chorus. Under the direction of teacher Mr. Marcus Daniels, the students did a fantastic job at a recent performance.

April marks the exciting beginning of the Spring sports season. Girls softball came away with an opening day win over Roselle Catholic last week, 10-0, giving first- year head coach Jessica Cunningham her first career victory.

Boys volleyball registered the new program's first-ever win, a 2-0 victory over Roselle Catholic last week. Track and golf seasons are also set to begin this week.

Shoutout to Synai Murray who has been selected as the ACHS - NJSIAA Scholar Athlete for the 2021-2022 school year. She will be honored at a special reception luncheon on May 15 at the Pines Manor in Edison.

As always, please continue to follow @RoselleSchools and /Roselle Public Schools on Facebook for the latest and greatest RPS news.

**Stay Roselle Strong**, and remember we focus on **"Every Student Everyday!"** because **"All Students Matter!"**

DR. NATHAN L. FISHER  
Superintendent of Schools

DR. LISSETTE GONZALEZ-PEREZ  
Assistant Superintendent
