Weekly Edition
of The Rambler

A PUBLICATION OF THE ROSELLE PUBLIC SCHOOLS

An Update from the Administration

October 19, 2022

Greetings, RPS Community!

Welcome to this week's edition of *RAMbling On!!* We hope our students and families are doing well as Harvest Season quickly approaches and the fall leaves begin to collect on our school grounds.

As a reminder, don't forget to join us for the monthly Board of Education meeting. We change the meeting date to Monday, October 31st at 7 p.m. at the ACHS Auditorium, 122 E. 6th Ave. Please come out and show your support for the Roselle school community.

Now, let's see what our scholars have been up to since last week's newsletter.

Congratulations to our Kindergarten Success Academy for being named to Alliance for a Healthier Generation's 2022 list of America's Healthiest Schools. This recognition celebrates 406 schools nationwide for achievements in advancing the physical, mental, and social-emotional health of students, staff, and families.

Healthier Generation's list of America's Healthiest Schools remains one of the country's longest-running, nationwide recognition programs honoring schools for achievements in supporting the whole health of students, teachers, and staff. Way to go, KSA!

Last week, the Roselle Fire Department visited Dr. Charles C. Polk Elementary School's first and second graders to talk about fire safety. Students got the chance to see Fire Engine # 1 and were able to demonstrate their fire safety knowledge in the Fire Safety House.

"Thank you to our counselors Ms. Noel and Ms. Boozer for planning this wonderful event," said Principal Melissa Allison.

Washington Elementary School held its the Hispanic Heritage Wax Museum last week as a culmination of Hispanic Heritage Month celebrations. Scholars had the important opportunity to engage in a project-based creative learning experience, while bringing Hispanic heritage to life for the entire school community.

Students at Leonard V. Moore Middle School have also been busy celebrating Hispanic Heritage Month through learning and creating art. Lessons have them traveling through Central America, studying the wonderful cultures and traditions.

LVM Scholars are busy studying, learning, reading, writing, choreographing dances, preparing theatrical performances, singing, rehearsing musical arrangements and creating art in celebration of Hispanic Heritage Month. We are currently traveling through Central America, studying the different cultures and traditions. We are excited to showcase and share everything at the end of October!

This week, Grace Wilday Junior High School students and staff will be participating in a week of initiatives and activities in honor of "School Violence Awareness & Prevention Week." Each day, there will be a different theme to help embrace the week's focus. Check back next week to learn more!

The Rams sport teams had the most successful week of the season last week!

Abraham Clark High School football defeated a strong Ridgefield Park team 41-35. The victory was sealed by a 55 yard "pick 6" by Nafee Finney who also ran a punt back for a touchdown on the fourth play of the game. Emmanuel Lyles was a big part of the Rams rushing for more than 300 yards as he ran for three touchdowns in the victory.

Soccer notched a great win against crosstown rival Roselle Catholic 3-1, sweeping the season series. Volleyball defeated College Achieve HS in straight sets 25-12, 25-11. The Wilday Soccer Team continued rolling along, soundly defeating University Middle School of Irvington, 14-1. Great job to all of our student athletes.
