Weekly Edition
of The Rambler

A PUBLICATION OF THE ROSELLE PUBLIC SCHOOLS

An Update from the Administration

November 7, 2022

Greetings, RPS Community!

Welcome to this week's edition of *RAMbling On!* As a reminder to all students and families, the district will be closed for the rest of the week for Election Day, Veterans Day Observance and the annual NJEA Convention in Atlantic City.

As always there are great things happening in our safe and welcoming schools. Now, let's see what students were up to last week.

A very successful Family Resource Night was held at Harrison Elementary School on November 3rd. We thank all parents for coming out to learn about the Title I, ESL, Gifted and Talented, and 21st Century programs. "It was such a wonderful opportunity for the school community to obtain access to resources and services located throughout the Union County", said Dr. Fisher

Eighth grade students in Ms. Ribeiro's Social Studies classes recently completed a unit on early history that combined reading, writing, vocabulary and artwork into the specific Social Studies content related to the Stone Age, Bronze Age and Iron Age. After reading to learn about life 10,000 years ago, students wrote essays from the perspective of Neanderthal people, specific to certain regions of the world.

"They also re-created cave paintings, similar to those found in France that provided scientists with the only archaeological evidence of life at that time," said Grace Wilday Junior High School Principal Craig Messmer. "The paintings and essays are currently on display throughout the building for others to appreciate."

Congratulations to the Abraham Clark High School concert chorus students who performed at the NJ-ACDA, Voices United Choir Festival at the Carteret Performing Arts Center on November 4th. Our scholars were excited to join "the family" and participate in the Voices United festival with singers from other New Jersey communities. The final performance combined all choirs to sing a song by Peter Lutkin, directed by Norma Jean Hughes, director and guest clinician.

"It was a great pleasure for our students to experience the amazing talents of their peers. Our concert chorus has performed and received superior ratings in various festivals in and out of New Jersey," said Principal Andreea Harry. "The ACHS concert chorus provides a place for all students who have the desire to sing and make musical memories that last forever. You can hear them down the hall having a wonderful time singing, laughing, discussing current events."

The Abraham Clark High School Concert Chorus is led by Marcus G. Daniels II, Director and Matthew Smythe, Instrumental Accompanist.

ACHS Rams varsity football continued to roll as the team recorded its fifth win in a row, easily defeating the Dayton Bulldogs 35-0 in the first round of the NJSIAA Regional Tournament.

Don't forget to cheer on the Rams for the annual Thanksgiving Day Game against Roselle Park on Wednesday, November 23rd at Arminio Field, starting at 6 p.m.
